

# **Your New Library Building Update – We have good news!**

## **The construction of your new Library is moving ahead!**

After eight months of analysis and review, the White Lake Township Board of Trustees passed a resolution in November to sell Bonds which will provide the money to build the new library.

At their December meetings, the White Lake Township Board of Trustees and the Planning Commission approved the preliminary library site plan.

**Our Architects are now refining the plans to ensure we receive final site plan approval, engineering approval and the appropriate permits.**

**Our construction manager is gearing up for the competitive bidding process. If you are interested in bidding on the construction of the building, please check our website for more information.**

**We are cautiously optimistic that the bonds will be sold in March 2018, with groundbreaking to take place in the spring!**

**Visit our website or friend us on Facebook for future updates on the building process.**
