December 2018

To the citizens of White Lake Township and the businesses who support our community:

This is an exciting time in White Lake. The new library is in full construction mode and on track for a grand opening in the summer of 2019. Please visit the library website and see pictures on our Facebook page for the most up to date information on our construction progress.

Due to the substantial investment, the library was required to make in infrastructure, we need to increase our capital fundraising goal to \$500,000. By reaching this goal, we will be able to restore items, such as the children's literacy play scape and outdoor patios that were removed from the original plan.

Now is the time for you to get involved. From the beginning, there has been a plan to allow individuals, families, organizations, and businesses to show their support of the library and leave a legacy in the form of a donation. There are several ways to give. One is to make a direct donation for a specific item or space and have your name attached to it. These opportunities start at \$1,500 and you can make your contribution over this year and next.

Alternatively, you can make a general donation to be applied where the need is the greatest. Donations (tax deductible) can be made directly to the [Friends of the White Lake Library](#), 7527 E. Highland Road White Lake, MI 48383. The Friends Tax exempt ID number is 38-3030266.

We would like to discuss this important community project and gifting opportunity with you in more detail. Please contact either Gerry Herrington, (friends@whitelakelibrary.org), 248-875-0875, or Glenn Rossow (g_rossow@hotmail.com), 248-302-4593, to schedule an appointment to discuss your commitment to the White Lake Township Library.

Thanking you in advance for your support,

Gerry Herrington
President- Friends of the White Lake Library
