- Library Annex – Glenn Rossow lead a discussion of potential uses for the former library building. ~~Township has been asked to respond with any needs they have for the facility,~~ Township Supervisor Rik Kowall, was sent a request to respond to the Library Board with any needs that the township may have for the facility, but details were not available for the meeting. ~~Did you want to say that we hadn't received a response ????~~ Also, now that building is unoccupied by staff or patrons and the air conditioning temperature has been raised to 85 degrees, it looks like the monthly cost for operation of the grinder equipment for the township is between \$500 and \$600 per month. Denise Stefanick to monitor June and July bills to confirm this cost.
