

News from the Friends of the Library

The Friends are people like you – members of the community who support the library's goals and services. They advocate for the library, raise community awareness and provide funds to meet specific library needs. The Friends are subsidizing the summer reading programs and this special newsletter.

All interested people are welcome to participate in the Friends group. Membership forms are available at the library and online. For more information email friends@whitelakelibrary.org or call the library.
